RiverStone Holdings Limited (Company No. 2709527) Strategic Report For the year ended 31st December 2016

The Directors have pleasure in presenting the Strategic Report of RiverStone Holdings Limited ("RiverStone Holdings" or "the Company") for the year ended 31st December 2016.

Ownership

RiverStone Holdings' ultimate parent company is Fairfax Financial Holdings Limited ("Fairfax") which is registered in Canada and is listed on the Toronto Stock Exchange. The registered office of Fairfax is 95 Wellington Street West, Suite 800, Toronto, Ontario, Canada M5J 2N7.

Principal Activity

The main activity of RiverStone Holdings is that of a U.K. holding company for subsidiary undertakings (together "the Group") primarily engaged in the run-off of insurance and reinsurance business and the performance of related services. RiverStone Holding's primary focus is the settlement of its subsidiaries' policyholder obligations and recovery of reinsurance assets in an efficient and economic manner. Additionally, RiverStone Holdings continues to pursue opportunities to acquire further run-off portfolios.

RiverStone Holdings has two primary run-off insurance subsidiaries, RiverStone Insurance (UK) Limited ("RiverStone Insurance (UK)") and RiverStone Insurance Limited ("RiverStone Insurance").

In addition, RiverStone Holdings participates in the Lloyd's market through RiverStone Corporate Capital Limited, which is the sole corporate member of Syndicate 3500.

RiverStone Holdings' operations are administered by two managing agents. RiverStone Holdings' non-Lloyd's business is managed by RiverStone Management Limited. Lloyd's related business is managed by RiverStone Managing Agency Limited.

On 14th June 2016, RiverStone Insurance (UK) established a subsidiary in Luxembourg called RiverStone Luxembourg S.à.r.l. This company is currently dormant and was established as part of RiverStone Insurance (UK)'s contingency planning for Brexit.

Business Review

Results and Performance

The results for the year set out in the profit and loss account show a loss for the financial year of £67.1 million (2015: £19.3 million).

Total shareholders' funds have increased to £474 million from £459 million at the end of 2015. The increase in total shareholders' funds comprises unrealised foreign exchange gains of £82 million, offset by the loss for the financial year of £67.1 million.

RiverStone Holdings has made good progress in relation to key elements of its strategy, through continued reduction in gross loss reserves and reinsurance recoverables of its insurance subsidiaries during the year, and the acquisition of a further run-off portfolio.

RiverStone Holdings Limited (Company No. 2709527) Strategic Report For the year ended 31st December 2016

Strategy and Future Developments

RiverStone Holdings' primary focus has been, and continues to be, to conduct a timely and efficient run-off of its existing portfolios. RiverStone Holdings continues to work towards a strategy to settle all of the Group's outstanding liabilities and recover its reinsurance assets.

Over the past several years, RiverStone Holdings and its subsidiaries have acquired a number of run-off portfolios of business either associated with certain Fairfax operations in Europe or from unaffiliated parties. RiverStone Holdings' main focus continues to be the run-off of these portfolios, together with actively seeking to acquire further portfolios of run-off business.

The Board considers that its insurance operations are adequately capitalised based on the financial position at the end of the year and the remaining risks and level of volatility inherent in its business.

Principal Risks and Uncertainties

The process of risk acceptance and risk management is addressed through a framework of policies, procedures and internal controls. All policies are subject to approval by the board of directors of RiverStone Holdings ("the Board") and ongoing review by the Board, executive committees, risk management (including compliance) and assurance. Compliance with regulatory, legal and ethical standards is a high priority for RiverStone Holdings. Its compliance and finance departments take on an important oversight role in this regard. The RiverStone Holdings Group Risk Committee is responsible for satisfying itself and the Board that a proper internal control framework exists to manage financial and all other risks and that controls operate effectively.

RiverStone Holdings has developed a framework for identifying the risks that it is exposed to and their impact on economic capital. This process uses risk based principles to manage the Group's capital requirements and to ensure that it has the financial strength and capital adequacy for its insurance subsidiaries to support the continued run off of the business and to meet the obligations to policyholders, regulators and other stakeholders. RiverStone Holdings' and its subsidiaries have implemented European Solvency II Directive, which came into force on 1st January 2016. The Directors consider that RiverStone Holdings' capital is adequate to meet its business needs under the regulatory capital regime.

The principal risks faced by RiverStone Holdings arise from fluctuations in the severity of claims within its subsidiaries compared with expectations, late reporting of claims and inadequate reinsurance protection (including the credit worthiness of major reinsurers) and inadequate reserving. The assets and liabilities of RiverStone Holdings and its subsidiaries are also exposed to market risk, including the impact of changes to interest rates, equity price fluctuations and adverse changes in exchange rates.

J. J. Bator (resigned on 31st March 2016)

N. C. Bentley

L. A. Hemsley

L. R. Tanzer

RiverStone Holdings has provided an indemnity for its directors which is a qualifying third party indemnity provision for the purposes of Section 234 of the Companies Act 2006. This indemnity was in force during the financial year and also at the date of this report.

Future Developments

Likely future developments in the business of RiverStone Holdings are discussed in the Strategic Report.

Dividends

RiverStone Holdings paid no interim dividends during the year (2015: nil). The Directors do not recommend the payment of a final dividend (2015: nil).

Directors' Responsibilities Statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent;
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 102 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

RiverStone Holdings Limited (Company No. 2709527) Directors' Report For the year ended 31st December 2016

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of Disclosure of Information to Auditors

The Company's auditors are PricewaterhouseCoopers LLP. Each person who is a Director at the date of approval of this Report confirms that:

- so far as the Director is aware, there is no information relevant to the audit of the Company's financial statements for the year ended 31st December 2016 of which the auditors are unaware; and
- the Director has taken all steps that he/she ought to have taken in his/her duty as a director in order to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

RiverStone Holdings Limited (Company No. 2709527) Independent Auditors' Report to the Members of RiverStone Holdings Limited For the year ended 31st December 2016

Report on the financial statements

Our opinion

In our opinion, RiverStone Insurance Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31st December 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Annual Report, comprise:

- the Balance Sheet as at 31st December 2016;
- the Profit and Loss Account and Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Equity for the year then ended;
- the accounting policies; and
- the notes to the financial statements, which include other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic Report and the Directors' Report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

RiverStone Holdings Limited (Company No. 2709527) Independent Auditors' Report to the Members of RiverStone Holdings Limited For the year ended 31st December 2016

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK and Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK and Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Strategic Report and Directors' Report, we consider whether those reports include the disclosures required by applicable legal requirements.

1. General Information

RiverStone Holdings Limited ("RiverStone Holdings" or "the Company") is a U.K. holding company of subsidiary undertakings (together "the Group") primarily engaged in the runoff of insurance and reinsurance business and the performance of related services.

RiverStone Holdings is a private company limited by shares and is incorporated in England. The address of its registered office is Park Gate, 161-163 Preston Road, Brighton BN1 6AU.

2. Statement of Compliance

The financial statements of RiverStone Holdings have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS102") and the Companies Act 2006.

3. Summary of Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of Preparation

These financial statements are prepared on a going concern basis under the historical cost convention as modified by the revaluation of investments in subsidiary undertakings.

These financial statements contain information about RiverStone Holdings as an individual company and do not contain consolidated financial information as the parent of a group. RiverStone Holdings is exempt under Section 401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent, Fairfax Financial Holdings Limited ("Fairfax"), a company incorporated in Canada.

(b) Going Concern

Having addressed the principal risks, the directors consider it appropriate to adopt the going concern basis of accounting in preparing these financial statements.

(c) Exemptions for Qualifying Entities under FRS102

FRS102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to the use of exemptions by RiverStone Holding's shareholders.

RiverStone Holdings has taken advantage of the following exemptions:-

- i) from preparing a statement of cash flows, on the basis that it is a qualifying entity and the consolidated statement of cash flows, included in the financial statements of Fairfax includes RiverStone Holdings' cash flows
- ii) from disclosing key management personnel compensation, as required by FRS102 paragraph 33.7.

(d) Translation of Foreign Currencies

The financial statements are presented in pounds sterling and, unless otherwise stated, are rounded to thousands. Items included in RiverStone Holding's financial statements are measured using the currency of the primary economic environment in which it operates. RiverStone Holdings' functional currency is the US Dollar. The Sterling to US Dollar rate at year end was 1.2357.

Foreign currency transactions are translated into the functional currency using the average rate of exchange during the year. At each period end foreign currency monetary items are translated using the year end rate of exchange. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Profit and Loss Account for the period. All exchange differences arising from the translation from functional currency to presentation currency are recognised through the Statement of Comprehensive Income as a separate component of equity.

(e) Tax

Tax expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

i) Current Tax

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior years. Tax is calculated on the basis of tax rates and laws that have been enacted or substantially enacted by the period end.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

ii) Deferred Tax

Deferred tax assets and liabilities are established for differences between amounts reported in the financial statements and amounts reported in RiverStone Holdings' annual corporation tax returns, including revaluation gains and losses on investments. Deferred taxes are calculated at the rates at which it is expected that the tax liability or benefit will arise using tax rates and laws that have been enacted or substantively enacted by the period end. Deferred tax assets are recognised to the extent that they are regarded as more likely than not recoverable. Movements on deferred tax assets and liabilities are recognised in the profit and loss account, except to the extent that they arise in relation to movements in the Statement of Comprehensive Income.

(f) Pensions

RiverStone Holdings is the principal employer for the Group's defined benefit pension scheme. RiverStone Management Limited ("RiverStone Management") is the primary participating employer and all costs associated with the defined benefit scheme are recharged to RiverStone Insurance (UK) Limited ("RiverStone Insurance (UK)") and RiverStone Insurance Limited ("RiverStone Insurance"), through the administration outsource agreements that are in place with these entities. In accordance with FRS102, the defined benefit pension scheme is accounted for in RiverStone Insurance (UK) and RiverStone Insurance in proportion to the allocation of overall costs that are recharged from RiverStone Management in respect of the outsourcing arrangement. The cost of the pension scheme is analysed between current service cost, past service cost and net return on the pension scheme. Current service

cost is the actuarially calculated present value of the benefits earned by the active employees in each period. Past service costs, relating to employee service in prior periods arising as a result of the introduction of, or improvement to, retirement benefits, are recognised on a straight-line basis over the period in which the increase in benefits vest.

The actuarial gains and losses which arise from a valuation and from updating the latest actuarial valuation to reflect conditions at the balance sheet date are taken to the Statement of Comprehensive Income for the period. The attributable deferred tax is shown separately in the Statement of Comprehensive Income. The pension surplus or deficit recognised in the balance sheets of RiverStone Insurance (UK) and RiverStone Insurance is their shares of the value of the pension scheme's assets less the present value of the scheme's liabilities.

Further details of the pension scheme are given in Note 6.

(g) Dividend Income

Dividends receivable from subsidiary undertakings are recognised in the Profit and Loss Account when declared.

(h) Investment in Subsidiary Undertakings

Unlisted investments in subsidiary undertakings are initially recorded at cost and subsequently carried stated at current net asset value. Any changes in value are recognised in the profit and loss account in the year in which they occur.

(i) Financial Instruments

RiverStone Holdings has chosen to adopt Sections 11 and 12 of FRS102 in respect of financial instruments.

(j) Related Party Transactions

RiverStone Holdings discloses transactions with related parties which are not wholly owned within the same group. Where appropriate, transactions of a similar nature are aggregated unless, in the opinion of the directors, separate disclosure is necessary to understand the effect of the transactions on the financial statements.

4. Auditors' Remuneration

	2016 £'000	2015 £'000
Audit	1	1
Audit related assurance services	19	_
Other assurance services	5	_
Other non-audit services	70	
	£95_ £	1

5. Directors and Employees

No amounts were charged to RiverStone Holdings in the year in respect of the services of directors or other key management personnel (2015: nil).

RiverStone Holdings has no employees (2015: nil).

6. Pension Costs

RiverStone Holdings is the principal employer for the Group's defined benefit scheme ("the Plan"). The Plan was closed to new entrants with effect from 1st January 2003 and its funds are administered by trustees. The Plan is non-contributory for members. The Plan's statutory funding objective is to hold sufficient and appropriate assets to cover its technical provisions. Company contributions are paid to the Plan in accordance with the recommendations of an independent actuarial advisor. As the Plan is closed to new entrants, under the method used to calculate pension costs in accordance with FRS102, the cost as a percentage of covered pensionable payroll will tend to increase as the average age of the membership increases.

RiverStone Management is the primary participating employer of the Plan. RiverStone Management pays contributions into the Plan and these are recharged to RiverStone Insurance and RiverStone Insurance (UK) in accordance with the administration outsource agreements that are in place. The amount of contribution to be paid by each entity is determined by reference to the allocation of overall costs for the year in accordance with the outsource agreements.

In accordance with FRS102, the Plan is accounted for in the financial statements of RiverStone Insurance and RiverStone Insurance (UK), in proportion to the allocation of the contributions that are recharged from RiverStone Management.

The last full actuarial valuation of the Plan was carried out as at 31st March 2014. The results from the 31st March 2014 actuarial valuation have been updated to 31st December 2016, in line with the requirements of FRS102, and to reflect changes in market conditions, in order to measure the defined benefit obligation as at 31st December 2016. The principal actuarial assumptions used in the measurement of the defined benefit obligation as at 31st December 2016 are as follows:

	31st December 2016	31st December 2015
RPI inflation	3.3%	3.1%
