# ROCKVILLE RISK MANAGEMENT

A RIVERSTONE COMPANY

■ **WHO WE ARE:** **Rockville Risk Management** is a leading third-party administrator (TPA) specializing in providing claim solutions to (re)insurance companies, syndicates, self-insured corporate and public entities, and program administrators.

*Over the past 30+ years, Rockville has established itself as a dedicated and comprehensive TPA committed to delivering exceptional service to its customers. As a result, there is immense benefit to working with us:*

**Committed Partnership:** As a steadfast partner, we take ownership of the business results we achieve alongside our partners, ensuring mutual success and growth.

**Innovation:** Our approach delivers quality results without compromise. We harness the power of technology and data to optimize outcomes while our people drive successful execution.

**Depth and Scale:** As part of The RiverStone Group, we have access to a deep pool of seasoned insurance professionals enabling us to partner with clients on new opportunities with skilled professionals.

**The Right Expertise:** Our claims professionals specialize in the market segments we operate in. This means we excel at managing complex situations and provide partners valuable insights into industry trends and emerging risks.

**Continuous Improvement:** Our people are at the heart of our success, and our culture nurtures an environment focused on continuous improvement. By investing in our associates with comprehensive training programs and mentorships, we empower them to achieve their full potential, resulting in superior outcomes for our clients.

■ **WHAT WE OFFER:** Customized claims and insurance services to meet diverse customer needs, and we are committed to providing exceptional results that meet and exceed expectations. As a full-service insurance claims management organization, we provide tailored solutions to our customers, leveraging our highly specialized industry knowledge and expertise.

We are trusted to handle some of our clients' most challenging problems responsibly and proactively. Our success is linked to the positive outcomes we deliver for them. ■ ■ ■
